

Client: GOVERNMENT of TANZANIA
Project: New National Stadium, Dar es Salaam
Location: Taifa Road, Dar es Salaam, Tanzania
Completion: Scheduled 2004
Design Proposal: April 2002
Estimated Cost: US\$ 45M

A new National multi-purpose sports Stadium in Dar es Salaam. Designed to accommodate 60,000 spectators, approximately 50% of whom will be under cover. Auxiliary features include an indoor arena, Olympic swimming pool, training grounds and tennis courts with spectator seating. An initial design proposal was produced in 1997 in collaboration with HOK SPORT meeting modern safety standards. This scheme was then updated in 2002.

NATIONAL STADIUM, Dar es Salaam, Tanzania
